

**Public invitation to present proposal for the operation of
the Fairs and Conventions Center
Puerta de Oro – Barranquilla**

July 29th 2014. Barranquilla, Colombia.

This communication clarifies the initial public invitation from July 4th 2014 to present proposal for the operation of the Fairs and Conventions Center Puerta de Oro in the following terms:

On July 4th 2014 the proposal of Corferias as a private company and originator of the operation project became public. From July 29th 2014, it will be a term of 30 days to express interest to participate in the process. Those interested can present their proposals within the next 15 following days to the expiration of the term to express interest to participate in the process, which means, until 6:00pm on September 13th. The proposals will be received in a physical document (additionally to a digital copy in a flash drive), in the secretary of the CEEC offices, located in the Via 40 N° 79B – 06 (sales room) in Barranquilla, Colombia.

Once the term of reception of proposals is closed, the CEEC will have a period of ten (10) working days to choose the best proposal, it will be considered only the proposals that better the conditions of the one presented by CORFERIAS. If otherwise, a notification will be sent to CORFERIAS in which their condition of initial proponent or originator of the project of operation, will have the right to equal the selected proposal within the next ten (10) working days.

The invitation is open to all people that individually or through an specialized company, comply with all legal and technical conditions. This is due to the need of sustainability of the complex and it also represents its inclusive, open and decisive character in the quest of new opportunities to promote the industrial, social and commercial development of the country.
